Snowy Weather Information

Here is how you know if we will be open during inclement weather:

Morning Classes:

Classes scheduled before 12:00pm will be closed when Romeo School District is cancelled for bad road conditions. Classes will still run if they are closed for cold weather.

Open Gyms / Tumble Practice / Fun Day / Flip Outs:

Please call our office to see if we are still running these events during snowy conditions.

Afternoon, Evening, Saturday Classes:

Please call our office to see if your child's class will still be in session for that day.

Parental Viewing

Parents, please keep children in the viewing area at all times. Only enrolled children will be allowed in the gym with an instructor's permission. An adult must supervise any remaining children while they are in the viewing area to prevent any gymnastics or horseplay around the bleachers. We ask that you please be considerate of others around you and limit your cell phone use while in the viewing area. While watching your child, please do not stand in front of the bleachers or lean against the glass. We want everyone behind you to also watch their children!

Presidents Day Open Gym

We will be holding a special Open Gym on Monday, February 17th from 2-4p.m. Many students have the day off from school, so bring them to the gym to get some extra practice on the equipment or to burn off energy. It is \$8 per child and toddlers under 3 are free with parental supervision on the floor, or you can use your 10 SPOT card. No advance registration is taken, so come early to guarantee your spot.

Student Attire

Preferred attire for girls is a leotard, and for boys is comfortable shorts and t-shirt. Everyone should have bare feet, and no tights please! If your child has long hair, please make sure it is pulled back. No jewelry is allowed, with the exception of small post earrings. We ask that your child have neatly trimmed fingernails and toenails to prevent scratching themselves or coaches during class

Customer Referral Program

When you refer a new family to our gym and they enroll for classes, you receive \$15 in coupons to use towards classes, special events, or pro-shop items!

Starbursts, Star Brights, Shooting Stars, All Stars, Super Stars, Boys Pre-Instructional, All Girls Jr. Bronze Classes

The preschool aged program is designed to meet the needs of children 18 months through 6 years old. We pride ourselves in providing classes that follow weekly lesson plans that apply to each age group. Students are taught skills appropriate for their age and ability, and we have the flexibility in our classes to challenge students that are ready for more difficult tasks. Our focus is to understand that children have different needs, learning styles, and

abilities based on their ages, developmental stages and personalities. We are always adjusting teaching styles to accommodate each class's progress and success.

Students are learning not only the building blocks of gymnastics, but also gross motor skills, listening skills, turn taking, socialization, and a sense of accomplishment. These things combined make your child physically and mentally prepared for school, and help to boost their self-esteem. Students in Parent-Tot classes often learn best by repetition, so ask your coach if there is anything you can do at home to make class easier! If you have any questions or concerns, you may direct them towards AGC Romeo Program Director, Lesley Gadioli.

Bronze, Silver, Gold, Platinum, Diamond, Boys Classes, Tumbling & Trampoline Classes

The instructional program is for students in first grade and older, and is designed to build strength, balance, coordination, flexibility, and muscle control as well as teach gymnastics skills. Because most skills require a great deal of strength and flexibility, we provide a strength calendar to each child for them to work on improving at home.

Selected skills are required for each student to complete several times properly before they move to the next level. We hand out enrollment slips during the 6th week of class to inform you what level your child should be in for the next session. The harder the level of the class, the longer they will stay in that level due to the complexity of the skills. Moving a child into a level they are not ready for physically or emotionally can lower their confidence level and their self-esteem. Talk to your child's instructor to find out ways they can improve their skills outside of class. If you have any questions or concerns, you may direct them towards AGC Romeo Program Director, Lesley Gadioli.

Ninja Classes

The Ninja Contender classes are part of our program that incorporates the importance of exercise and fun on our trampolines, mats, foam pits, and equipment, but without the skills and flexibility needed for our gymnastics classes. Learning to be agile on their feet, quick to react to their surroundings, and keep their heart rate up for at least 30 minutes make these classes fast paced and a lot of fun. Our Ninja Contender classes follow a weekly lesson plan that is flexible enough to adjust to students of all ability levels. If you have any questions or concerns, you may direct them towards our Office Manager, Marsha Snuggs.

Make Up Classes

American Gymnastics Romeo guarantees one make-up class per child per session. However, if unusual circumstances occur and additional make-ups are needed, they may be granted based on availability. To prevent over booking a class, please schedule make-ups ahead of time at the front desk or over the phone. *Make-ups may not be carried over to the next enrollment period and are based on availability. Open gym times may be used in place of a class for make-ups.*

DID YOU KNOW...

2nd class is 50% off for the same child in the same session! Kids learn skills faster when they practice more often. See the registration desk for more information!
